Amended April Monthly Report (3/1/7 - 3/31/7) received 5/18/7

Dear Ms. Fleming:

We are in receipt of your letter dated June 27, 2007 regarding the aforementioned report.

In regard to the reported transfers from our NonFederal to our Federal account, please be advised that we believe this discrepancy reflects the 70 day window and the close of report dates overlap, using the permissible 10 days before.

In regard to the disbursement descriptions of "reimbursed expenses", these have been corrected for acceptable detail. In regard to Schedule H4 payments to credit card companies and reimbursements to individuals, please be advised this amendment now reflects memos for these expense transactions.

In regard to the amendments for the Jan, Feb and March months' of administrative activity, we have reviewed the transactions reported and reconciled them to our accounting software, which is in turn cross checked and reconciled to our bank statements and this information has been reported accurately. Our monthly disbursements have accordingly been reported on Schedules B and H4 respectively.

At this time our committee believes to be in compliance.

Sincerely,

Oregon Republican Party
